

Jamar Jackson

jjackson@ucdavis.edu | Sacramento, California 95819 | (916) 555-4673

OBJECTIVE

A laboratory research internship with BioMarin Pharmaceutical, Inc.

EDUCATION

Bachelor of Science in **Biological Sciences**, *Expected June 2025*

University of California, Davis

GPA: 3.67/4.00

Related Coursework: General Chemistry (Lab), Organic Chemistry (Lab), Genes and Gene Expression, Structure & Function of Biomolecules, Introduction to Evolution, Molecular and Cellular Biology of Plants, Cell Signaling in Health & Disease, Neurobiology Laboratory (Lab), Applied Statistical Methods: Regression Analysis

SKILLS

Lab: PCR, microscopy, gel electrophoresis, SDS-PAGE, restriction enzyme digest, pipetting, serial dilution

Computer: Microsoft Word, Excel, PowerPoint, Google Docs

Languages: Python (Beginner), R (Proficient)

RESEARCH EXPERIENCE

Undergraduate Research Assistant, Dept. of Microbiology and Molecular Genetics, UC Davis *March 2022 - Present*

- Explore the interactions between *Entamoeba histolytica* and the human host in order to elucidate mechanisms of amoebic trophocytosis
- Culture microbes in liquid culture and utilize microscopy techniques to examine trophocytosis over time
- Perform a restriction enzyme digest with fellow undergraduate in order to create a plasmid containing the trigger gene and clone them in microbial cells
- Verify the presence of the trigger gene with PCR and gel electrophoresis to ensure successful cloning
- Troubleshoot issues within the project by communicating with fellow lab members and seeking various solutions
- Present on scientific papers related to ongoing projects during journal club and stimulate meaningful conversation

SPECIAL PROJECT

Using AI to Study Human Genetic Diseases, UC Davis

Sept 2023 - Dec 2023

- Collaborated with two classmates to compile list of mutated genes in Alzheimer's in order to find common and rare associated proteins for our project
- Visualized protein structures of normal and mutated isoforms of the protein PSEN1, MAPT, and APLP1 using AlphaFold2 and presented results with the class in an engaging PowerPoint

OTHER EXPERIENCE

Shift Leader, In-N-Out Burger, Davis, CA

Oct 2022 - Present

- Provide outstanding customer service and handled customer complaints effectively
- Train and supervise ten staff members, providing feedback for areas of growth in order to strengthen team
- Maintain accurate inventory count of all products to ensure smooth running of business
- Uphold proper food sanitation standards by strictly adhering to all food handling safety protocols

ACTIVITIES

Volunteer, Yolo County SPCA, Davis, CA, *Apr 2022 - present*

Activities Coordinator, Black Student Association, UC Davis, *Sep 2021 - present*
